CAUSE NO. 42673

INDIANA UTILITY
REGULATORY COMMISSION

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On June 17, 2004, Valley Rural Utility Company ("VRUC") filed its Petition in this matter seeking expansion of its authorized service area in Dearborn County for the provision of sewer service. On August 27, 2004, the City of Greendale ("Greendale") filed its *Petition to Intervene*, which Petition was granted by docket entry on August 30, 2004.

On January 26, 2005, VRUC filed its *Motion for Extension of Prefiling Date and Continuance of Evidentiary Hearing* ("Motion.") In its Motion, VRUC stated that a continuance was necessary as VRUC and Greendale were litigating a dispute regarding the intervention by Greendale in Dearborn Circuit Court, and the hearing on that matter was to be February 8, 2005. VRUC also stated that it wished to wait for the decision of the Dearborn Circuit Court before filing its rebuttal evidence.

The Presiding Officers, having read VRUC's Motion and being duly advised in the premises, hereby find as follows:

VRUC's Motion is GRANTED. The hearing set for Monday, February 7, 2005, at 9:30 a.m. in Room TC10 of the Indiana Government Center South is hereby continued to Tuesday, March 22, 2005, at 9:30 a.m., in Room E306 of the Commission. VRUC's filing deadline is hereby extended to and including March 1, 2005.

IT IS SO ORDERED.
